

RADIO SCRIPT for use as P.A. announcements, podcasts and school meetings.

**ANNOUNCER:**                    There' ll be an assembly program on (DAY  
AND DATE GO HERE) \_\_\_\_\_  
where we' ll be presenting Sparx Audio  
Adventures--an interactive audio journey,  
using old-time radio sound effects and  
high-tech digital wizardry. Students will  
discover how we use sound and story to  
make sense of the world around us. You' ll  
hear everything from thundering reactors  
to gargling bunny rabbits--and everyone  
gets to join in. You won't believe your  
ears!

There will be two school assemblies  
during the day and a different show in  
the evening as part of a free Family  
Night at school Students and their  
families can all attend the free evening  
show starting at (TIME GOES HERE)  
\_\_\_\_\_.
